Cadets and Staff to meet regularly for training each Monday and Wednesday evening from 6pm-10pm from September-June. Would use main open area for marching and parade practise with use of other rooms such as change rooms for break-out training sessions.</p>	3	3	4	5	5	20	Could use James Whyte as temporary meeting space until Allanburg renovations are completed. However, may need to relocate based on James Whyte upgrades.

May have conflict with the environment at James Whyte facility.

Ballhockey.com	Darren Reid	905-719-3302	<a href="mailto:darrenreid@ballhockey.com">darrenreid@ballhockey.com</a>	Predominately be focused on <b>ball hockey</b> for peak hours, however, just as we currently do at the Haig Bowl arena with the City of St Catharines, have additional groups run other sports (lacrosse, roller derby, futsal, pickle ball, baseball etc.) and special events at the facility to further the experience and reach to the community.	2	2	4	4	4	16	For profit group looking at exclusively programming facility. Has potential to duplicate programming already offered by Thorold partners (ex. TCAG)
Top Tier Training	Candace Rymal	289-241-9115	<a href="mailto:crymal17@icloud.com">crymal17@icloud.com</a>	Top Tier Training's goal is to partner with the City of Thorold to establish a home base at James Whyte Arena by installing <b>soccer turf</b> over the existing concrete floor to run house-league soccer programs year round, as well as elite level training to aspiring athletes within the region. Two 5v5 playing fields would be created in this space with a mesh divider between. With soccer becoming such a prominent sport in Canada, we hope to offer this region a model of soccer training that will alter the way that young athletes are developed in Canada.	2	2	4	4	4	16	For-profit group. Has potential to duplicate programming already offered by Thorold partners (ex. Thorold Minor Soccer). However, also has potential to compliment the demand for artificial turf and multi-use floor.

Niagara Falls Soccer Club	Paul Lepaine (Joshua Lemire)	N/A	nfsoffice@gmail.com paullepaine@icloud.com	Long term gym rental through the winter months to have a facility ( <b>artificial turf</b> ) to host indoor soccer practices, events and leagues (January, February and March)	3	2	3	5	3	16	Has potential to duplicate programming already offered by Thorold partners (ex. We would use the facility year round and would like a long term solution.	3	2	2	4	3	14	Could use Canada Games Park where mats are already available through Brock University/Sport Niagara. Does not allow for variety of programming as mats are semi-permanent and are difficult setup/teardown.
Niagara Indoor Pickleball Association	James Fraser	289-897-9273	<a href="mailto:nipapickleball@gmail.com">nipapickleball@gmail.com</a>	Our mission is to develop a <b>dedicated indoor pickleball facility</b> , centrally located in the Niagara Region and accessible to all residents of Thorold and Niagara. The Niagara Indoor Pickleball Association (NIPA) would like to work with the City of Thorold to repurpose the Whyte arena to be the home for pickleball in the Niagara Region.	3	2	3	4	2	14	Looking for exclusive dedicated use of facility with limited compromise ("pickleball clubhouse"). Also has potential to duplicate programming already offered by Thorold partners (ex. TCAG & CGP).

<b>Thorold Community Theatre</b>	Theresa Chubak	905-932-6019	<a href="mailto:info@thoroldtheatre.ca">info@thoroldtheatre.ca</a>	TCT proposes subdividing the arena floor space by roughly one-third on the long axis in which to construct <b>a performance space (a theatre)</b> with a stage, dressing rooms, and audience seating for appx. 100-150 patrons.	1	3	1	4	3	12	Could they work in partnership with TCAG as they have a stage and light bar already in place at their facility. If they only require time for a few shows, TCAG could move some programming to St.Johns Church / James Whyte for specific dates to accomodate.
