

MEMORANDUM

Subject: Parking Restrictions in Rolling Meadows Subdivision

To: Mayor and Council

From: Geoff Holman, C.E.T.

Due to the fire department's concerns regarding the maneuvering of fire trucks through the Rolling Meadows subdivision, Engineering is planning to implement a no-parking policy on one side of the roads located in phases 1, 2, 3, 7, and 9. The roads within these phases have been assumed by the city in accordance with the City's transportation master plan. Consequently, By-law 150-2012 will need to be updated accordingly. Bill 67 is included in this Council agenda.

Respectfully submitted and signed by

Geoff Holman, C.E.T.
Director, Public Works and Community Services
