

MEMORANDUM

Subject: Upper's Lane Roadway Extension Update

To: Thorold City Council

From: Nicholas Debono, City Clerk

Subsequent to the decision of Council at its Special Meeting on October 8, 2024, as directed, City staff and external legal counsel have continued to engage with land developers and stakeholders. On October 30, City staff and representatives for the developers attended a coordination meeting at the City of Thorold Operation Centre. Notes from the meeting were circulated to City Council. During the meeting, clarity and progress with respect to the design elements of the project was made, with certain action items identified moving forward. City staff continue work on the Memorandum of Understanding with the goal of getting it finalized and ready for Council's consideration.

Respectfully submitted and signed by

Nicholas Debono
City Clerk
