I am writing to request a Council Delegation on December 7, 2021 for Frances Hallworth, Executive Director of United Way Niagara and Erin Riseing, Program Coordinator of the Niagara Community Gardens Network.

This council delegation is being requested as part of our follow-up and next steps to the recently released position paper 'Increasing Barrier Free Access to Food Security Through Community Gardens: The Role of Niagara Region Municipalities in Advancing Policy and Reducing Barriers'.

The paper was sent to the Mayor, Clerk and the Planning Department a few weeks ago. I have attached the position statement here for reference.

We will provide you with the delegation presentation documents in advance of the delegation as required.

If you have any questions, please let me know.

Thank you,
